## CONCRETE/PAINT MIXER - POWE80070

This mixer can be used for mixing all kinds of paint, mortar, concrete, plaster,... You can easily adjust the speed from 0 to 700min<sup>-1</sup> to suit the material you wish to mix. This makes the job more efficient and safe. Its 1200W motor ensures a fast and powerful mixing work with a maximum torque of 30Nm, always without splashing.

A 590mm mixing paddle with Ø120mm diameter is included.
